UNLOCKING
the SONG in You

'Unlocking The Song In You' Vocal Class

Discover the 'performer within' you as you travel on your own personal musical journey! In private voice lessons, via personal coaching, embark on this 8-week course toward music-utopia! Learn proper breathing and vocal technique, diction, speech pathology, rhythm, and all aspects of self-presentation from complete stage presence, hair/make-up/wardrobe; how to use a microphone, how to command an audience, to how to truly deliver a song.

Once we've worked on all these components (choosing the genre of music you'd best like to interpret- Pop, Rock, R&B, Classical, Broadway, etc.), we will prepare to perform before Family and Friends with your chosen song selection(s) at our Performance Recital! An opportunity of a Lifetime...

\$10 Material Fee (to be paid to Instructor the first day of Class). *No Class 2/20.*
