Through fun acting exercises, musical theater games, and Solo/Show Choir rehearsals, we will focus on all 3 elements of the performing arts including:

**THEATER** - monologue, scene study, & character development

**DANCE** - stage movement and modern choreography (Jazz & Hip Hop)

**VOICE** - breathing and vocal technique, diction, speech pathology

Everyone will participate in the mini-musical to be held the weekend of Camp!

**Show Synopsis: "Aladdin Jr"** (*under special arrangement with MTI*)

This adaptation of the famous classic reminds us all greatness and strength come from within, not from outside worldly possessions. Imagine if you had three wishes, three hopes, three dreams and they could all come true.

This stage adaptation of the popular Disney hit is filled with magic and adventure, following the stories of Princess Jasmine, Aladdin and Genie. Including songs "Friend Like Me," "Prince Ali" and "A Whole New World," this proves to be a favorite for years to come! There's a place for every one and all experience levels in this adventure filled with fun and engaging music! Join us in the magic that is Aladdin!
