Calabasas Cheer Class

Cheer & Tumbling Class – #10150

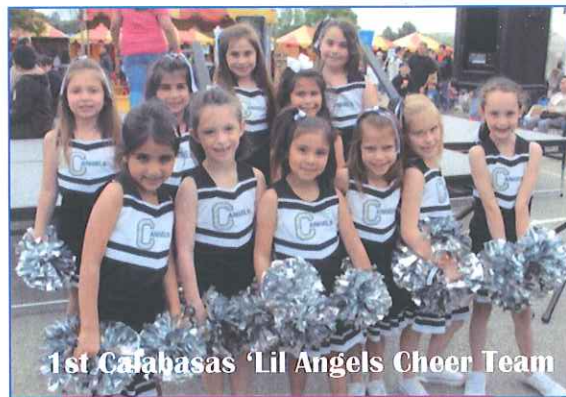

Students will learn a progression of skills in a safe and enjoyable atmosphere to develop balance, strength, coordination, and flexibility while learning cheers, and sidelines, dances, arm motion technique, voice projection, proper posture, jumps and kicks. Athletes will also focus on basic tumbling skills like forward rolls, cartwheels; round offs, and later progress into handstands and back handsprings. Intermediate athletes will continue this progression of skills while building into stunts. Gain self-esteem, learn to work as a team and come have fun participating in a sport you love!
